FOOTHILLS INQUIRER

The first 16 issues (1981-1984) of the Foothills Inquirer provided information about club news, activities, meetings and upcoming events. They also included book reviews, member stories, and genealogical and historical information and records. The Colorado counties of Clear Creek, Gilpin, Jefferson and Park was the emphasis through out the years of publications. Since 1985, contents were primarily genealogical and historical information, records and indexes for those counties.

The Inquirer was published quarterly from 1985 through issue #2 (Spring) 2008 and semiannually from Issue #3 (Summer) 2008 through 2013. Beginning in 2014, the Inquire ceased publication.

Name and subject indexes for all Foothills Inquirers are available on www.foothillsgenealogy.org The Inquirer, 1981 though 1990, are available as PDFs on the website.
